# Manager's Report by Angie Webster

After recent rains, the lake is now at full pool. The lake was close to 16 inches down when the rain came, bringing our lake up 36 inches in a matter of hours. We had reports of 8 to 12 inches of rain fall. I want to thank members who went out in the rain and aided their fellow neighbors securing boats that had drifted.

As we move forward into the winter months and snowy weather, we will be clearing and treating roads according to a schedule. That schedule is in the Holiday Times and on our website. During snow events, please keep vehicles, trailers, and such off the roadways. Have patience with our Maintenance crews as they work to get the roads clear.

2025 Statements was mailed out the last week of November. There was no increase for 2025. We still allow for three installments with no penalties. Installments are \$270 due January, March and May 1<sup>st</sup>. Please contact the office if you do not receive a statement or need special arrangements.

Fish stocking has been completed. We stocked 7000, 5-6 inch Northern Large mouth bass and 4400 Hybrid Striped bass. With the second stocking we did lose about 1000 Hybrid's. The fish farm has been contacted and that amount will be replaced in our Spring of 2025 stocking. This year with the drawdown, the fishing committee has determined it would be beneficial to stock in the spring vs fall, to allow for optimal fish growth before winter.

The 11<sup>th</sup> Annual Pet Food and Supplies Drive is under way. Thank you to those who have already donated. We will be collecting through December 15<sup>th</sup>. All items will be donated to the Metro East Humane Society. For a complete list of supplies needed visit their website at [www.mehs.org/supplies](http://www.mehs.org/supplies).

Sweets with Santa is Saturday, December 21<sup>st</sup>, 9 to 11

# The Promise of Christmas

Christmas commemorates the fulfillment of God's first promise to Adam and Eve, our human parents. It is God's remarkable response to the trouble that they had gotten themselves into. Because of their disobedience and rebellion, sin had come between God and man. And because sin always pays death (Romans 6:23), they were now separated from God who is the source of love, joy, peace, satisfaction, and purpose, and faced a life and eternity of trouble, wrath, loneliness, and emptiness. But at the moment of their loss, God promised that he would remedy their mess. (Genesis 3) He would send them a Savior who would restore their connection to God. Their children (you and I) would need that Savior, too, because we are born separated from God and in every way, broken sinners.

And send them a Rescuer, he did! God sent his own Son. His earthly parents were commanded, "you are to give him the name Jesus, because he will save his people from their sins." (Matthew 1:21) Jesus means Savior. His true identity is in Matthew 1:23, "and they will call him Immanuel" —which means, "God with us." So God the Savior came to live among us and ultimately to die for us.

Jesus died on a Roman cross to pay the penalty of my sin so that I wouldn't have to. As Isaiah 53:6 prophetically announces, "We all, like sheep, have gone astray, each of us has turned to his own way; and the Lord has laid on him the iniquity (sin) of us all."

The way back to love, joy, peace, satisfaction and purpose and to God himself has opened up. How do I get back in right relationship with God? A man in the Bible asked that same question. (Acts 16:30-31) "He asked, "Sirs, what must I do to be saved?"

They replied, "Believe in the Lord Jesus, and you will be saved." That is further explained in Ephesians 2:8-9. For it is by grace you have been saved, through faith — and this not from yourselves, it is the gift of God — 9 not by works, so that no one can boast.

Believe God when he says that you can be forgiven of sin by putting your faith and trust in Jesus.

Christmas is the joy filled celebration that the Savior came just as God promised he would.

# Bring Holiday Happiness to the Table with Easy, Festive Sides

## FAMILY FEATURES

Many people would agree the holidays are one of the happiest times of the year – but also one of the most stressful. Replace the stress with smiles by cooking easy, delicious dinners that can help make the season a breeze and bring a little holiday happiness to mealtime.

Spend less time in the kitchen and more time with family by turning to easy-to-prepare potato recipes that can make the whole family happy.

For example, when you're busy trying to cook multiple things at once, free up precious oven real estate while saving time with these Herby Holiday Air Fryer Little Potatoes. For a busy weeknight during the holiday season, potato dishes like this one can be made in an air fryer and customized with a few of your favorite pantry staples. If you don't have fresh herbs on hand, dried will do the trick.

This recipe and many others can be streamlined with Little Potatoes, which come pre-washed, are small enough they don't need to be cut and are a fresh, whole food grown on family farms so you can feel good about serving them to your loved ones.

Remember, easy can still be fabulous and festive. This Warm Winter Potato Salad with Cranberries offers the best of both worlds as it comes together in around 7 minutes with seasonal pops of red and green.

This family-friendly side features A Little Roasted Garlic, Rosemary & Thyme Microwave Ready Little Potatoes that simply need to be steamed in the microwave for 5 minutes then tossed with the included seasoning pack – no boiling or peeling required. It's truly a holiday shortcut, and you can make the recipe even easier by using store-bought honey mustard vinaigrette if you're short on time to make it from scratch.

Visit [littlepotatoes.com](http://littlepotatoes.com) to find more ways to spend less time in the kitchen and more time with family.

## Warm Winter Potato Salad with Cranberries

Prep time: 2-5 minutes  
Cook time: 5 minutes  
Servings: 4

- 1 package A Little Roasted Garlic, Rosemary & Thyme Microwave Ready Little Potatoes
- 2 tablespoons olive oil
- 1 tablespoon Dijon mustard
- 1 tablespoon apple cider vinegar
- 1 teaspoon honey or maple syrup
- salt, to taste
- pepper, to taste
- 1/4 cup dried cranberries
- 1 small apple, thinly sliced
- 2 tablespoons chopped walnuts or other nuts (optional)
- fresh parsley (optional)
- green onions (optional)

Prepare potatoes according to package instructions, about 5 minutes, tossing with olive oil and included seasoning pack once cooked.

In small bowl, whisk Dijon mustard, apple cider vinegar and honey or maple syrup. Season with salt and pepper, to taste.

In large bowl, toss warm potatoes with cranberries, thinly sliced apple and walnuts, if using. Drizzle mustard dressing over top and gently mix until well-coated.

Top with fresh parsley or green onions, if desired, for pop of color. Serve warm.

**Tips:** If you like more texture, toast walnuts for extra crunch. For added creaminess, mix 1 tablespoon Greek yogurt or mayonnaise into dressing. To save time or reduce ingredients needed, use storebought honey mustard vinaigrette.

# HOLIDAY SHORES FIRE DEPARTMENT

**Firefighter's Footnote** - We hope everyone had a great Thanksgiving filled with lots of fun, family, food and football! Don't forget to change your smoke alarm and carbon monoxide batteries if you forgot to do it when Daylight Saving Time ended. It's time to put up Christmas lights so be careful – place the ladder in a dry and flat area when stringing up the outside lights and don't overreach when placing them on the hooks, use a harness when up on the roof, and wear shoes that grip well. In November we participated in the annual Veterans Day parade – the weather was perfect and we had lots of fun as we threw candy to the crowds from the truck. We also went over a Hazmat Refresher class and a Driver's Safety Course. Since it is the end of the year, this month we will review several

safety and fire-related scenarios. Last month we responded to 23 incident calls: 16 EMS runs, and 1 each for chimney/flue fire, brush fire, trash fire, equipment fire, gas leak, carbon monoxide incident, and odor of smoke. We received 3 automatic mutual aids and participated in 1 mutual aid (all with Prairietown). If you are thinking of a way to help your community and do something that is rewarding, consider joining the Holiday Shores Volunteer Fire Department. We welcome people of all ages and talents. We can teach you anything you need to know for whatever level of service you wish to join: from helping around the department, to running the radio, responding to medical calls, or becoming a firefighter. From HSF to you and your family, enjoy the upcoming holidays and have a very Merry Christmas and a Happy New Year!

**Medic Minute- Winter Safety** – It's December already, and time to think about winter safety. Remember to have your chimney flue checked and cleaned. The main cause of chimney fires is due to an excess build-up of creosote (combustion gases given off from burning wood, consisting mainly of tar). If the temperature in the chimney flue is high enough

and the creosote build-up is thick enough, it can catch fire, which can spread. Don't forget to extinguish all burning candles anytime you go to sleep or leave the house, and keep plenty of water in the container at the base of all live Christmas trees. Have your furnace checked for any carbon monoxide leaks, keep an ABC fire extinguisher nearby, don't overload your outlets or extension cords, use salt or an ice melt solution for

any outside icy areas (there are pet and eco-friendly options available), keep an emergency road kit with food, water, and blankets in your car, and don't drink and drive. Also wear reflective clothing while walking when it's dark, and use multiple layers to keep in the heat during outside activities on cold days. Plan ahead and be safe this winter!

**WE NEED YOU!**

**HOLIDAY SHORES VOLUNTEER FIRE DEPARTMENT  
INTERESTED IN JOINING?**

HSFD wants you! If you already have medical or firefighting skills, we can use you. If you don't, we can teach you all the necessary skills that you would need to respond to an emergency. We have classes, on-line learning, training, and practicals to help you achieve the level that you feel comfortable with. Volunteers on our department include students, lay-people of all professions, medical personnel (nurses, nurse practitioners), first responders (EMTs and paramedics), those with full-time jobs, and retirees. We also have an auxiliary level for those who wish to help out but do not want to be hands-on. If you want to help others, there is something available for everyone. Consider joining HSVFD – odd hours, poor pay and cool hats available!

Holishor Association Board of Director's Minutes

October 9, 2024

Call to Order

John Crotty called the meeting to order @ 7:32 p.m.

Board Members in Attendance: Tony Harris, Jennifer Halverson, Jim McCann, Trish Yates, John Crotty, Ty Van Ryswyk

Association Office Present: Angie Webster, Karla Suttles

Members Present: 2

Board Members Excused: Sarah Jacoby

Pledge of Allegiance recited

Approval of Minutes

Changes noted to the minutes: Accepted as is.

Tony Harris motioned to approve September 25, 2024 minutes as presented,

Trish Yates seconded, all in favor, motion passed.

Transfers of Property

There were 3 transfers of property, all had initiation fees. Membership is 1274.

Bills & Salaries

Jim McCann: Asked if Hepler Broom charges were associated with the same item. Angie Webster: Confirmed that while there has been some progress on other collections, the majority is associated with one collection. Tony Harris motioned to approve the bills and salaries as presented. Jim McCann, seconded, all in favor, motion passes.

Treasurer's Report

Profit & Loss Summary

Jim McCann: The budget for assessment is at 102% and we are not at end of year. Angie Webster: The estimate for this line item includes those that may not pay and is estimated on the lower end. This does not pertain to home sales as this is a different line item in the budget. Jim McCann: It was my understanding in our contract that we do not pay for trash, but we have \$760 on the P&L for trash, and only \$100 budgeted. Angie Webster: Indicated that the additional charges are for a dumpster rental for the burnt down shed.

Treasurer's report

Jim McCann: How much of the money sitting with CDARS is set for reserves.

Tony Harris: Everything in CDARS is reserves. Jim McCann: Additional questions about the information in the report. Tony Harris: Confirmed that operating budget comes from the dues & assessments and is the top portion of the report.

Manager's Report & Code Enforcement Report

Angie Webster read the manager's report (which can be found published in full in the Holiday Times). Members are asked to update contact information with the office, this include removing old landlines that may be on file with the office.

John Crotty summarized the code enforcement report with issues noted for underage drivers on ATV / Golf cart, maintenance of property, and property damage to North Property. We issued a total of 8 citations in September.

Old Business

HSVFD Membership Coverage Request – HSVFD requested assistance from the association to help incentivize additional volunteers with an option of covering membership or offering membership to non-residents. Annual meeting ballot asked if the board should look into ways to support the HSVFD and the response was favorable. Tony Harris: Based on feedback received, offering membership to non-members was not favorable. Coverage for existing members and how to structure that posed some concerns as well. Based on feedback and available funds that are needed for other projects, we cannot cover membership at this time. John Crotty: Confirmed agreement to not cover membership but the board would like to support the HSVFD in raising funds. Ty Van Ryswyk: We are willing to support HSVFD as we can and we can discuss opportunities. The board will add a donation option to the annual packet for any member to donate to one of our committees / clubs. Tony Harris: We should reach out to Jim O'Brien to discuss opportunities to support the HSVFD in other ways.

New Business

Street Sweeper – Angie is requesting approval for \$4500 to cover a sweeper

for the roads to sweep up debris / rock. This will assist with winter snow removal. Tony Harris: Confirmed that this would come out of the road budget and that we will have funds available. Trish Yates: Confirmed that rock collected will be used in other areas. Angie Webster: Confirmed reuse of the rock and that 1 week should be ample for the rental. John Crotty: Advised to post on the website / FB and to ask members to move cars.

Correspondence None

Open Forum

The following items were discussed: Ty Van Ryswyk: Reached out to John Witney (provided original report) about the silt report. Working to set up meetings with Witney, Stutts, and others by the end of October about addressing the silt removal. Target to bring findings to the board by end of year. Jennifer Halverson: Acknowledged that we have members of the community that have volunteered their expertise on the topic and we should engage them to verify what we are being told or to provide alternate views.

Action Summary

Prior Actions: Angie to perform an assessment of outlots for additional posts for boat parking by the end of September. Angie to update the community instruments from the 2024 annual meeting. These will be filed in December after approval of the rule change process that enables the board to determine rule implementation date to support filing requirements. Angie to provide an update to the Fishing Committee in December once the board knows if there will be any funds that are carried over and can be used for fishing stocking. Angie Webster to check our insurance policy for coverage of the safety committee instructors teaching the IDNR class. We are reviewing our policies with our agent to determine if this will be covered.

New Actions: Angie to reach out to Jim O'Brien and offer to meet with the board outside of a formal meeting and discuss options to support HSVFD.

Adjournment

Motion to adjourn was made by Tony Harris and Trish Yates seconded, all in favor at 7:54 p.m.

HSVFD Membership Support – At the previous meeting, the board agreed to explore ways to support HSVFD, including adding a donation option in the annual packet. It was also decided that we will not cover HSVFD dues at this time. Tony Harris and Jennifer Halverson will meet with HSVFD to discuss further.

New Business

North Property Signs & Restrictions – Due to recent issues with off-roading, we would like to evaluate the signage and determine if there are other things that we can do to limit vehicles from driving off the designated road. Ty Van Ryswyk: recommended that we include signs in multiple places to clearly mark where vehicles are not allowed. If the signs do not address the issues, then we may need to add poles preventing access. Jim McCann: Suggested that we share with the

## Apple Cider Balsamic Glazed Pork Loin

Prep time: 10-15 minutes  
Cook time: 45-60 minutes  
Servings: 6

**1 Coleman Pork Loin (4 pounds)**  
salt, to taste  
pepper, to taste  
**1** tablespoon olive oil

**Glaze:**  
**1** cup apple cider vinegar glaze  
**6** tablespoons whole grain mustard  
**4** teaspoons balsamic vinegar  
**1** teaspoon minced rosemary  
**1** teaspoon minced sage  
**1** teaspoon minced thyme  
**2** teaspoons minced garlic  
salt, to taste  
pepper, to taste  
**2** tablespoons olive oil  
**4-6** sliced apples

Preheat oven to 350 F and line sheet pan with parchment paper. Set aside.

Remove pork from packaging and pat dry with paper towel. Season all sides with salt and pepper, to taste.

To make glaze: In bowl, whisk apple cider vinegar glaze, mustard, balsamic vinegar, rosemary, sage, thyme and garlic. Add salt and pepper, to taste. In steady stream, slowly add olive oil to emulsify while whisking.

In large skillet, heat oil over medium-high heat. Sear pork loin 2-3 minutes on each side.

Move pork to lined baking sheet and brush on about half the glaze. Roast 30 minutes.

Remove pork from oven and spread sliced apples around pork loin. Brush remaining glaze over pork and apples. Bake 20-30 minutes, or until internal temperature reaches 150 F.

Let pork loin rest at least 10 minutes before slicing.

## Stuffing-Filled Pork Chops

Prep time: 10-15 minutes  
Cook time: 30-45 minutes  
Servings: 6

**Stuffing:**  
**1** small box biscuit mix  
**1** stick butter  
**2-3** stalks finely diced celery  
**1** finely diced onion  
**1** teaspoon poultry seasoning  
**1-2** cups chicken broth  
**1** bag cornbread stuffing mix  
**2** eggs, beaten  
salt, to taste  
pepper, to taste

**6 Coleman Natural bone-in or boneless pork chops**  
oil  
**1** teaspoon minced garlic  
**1** teaspoon minced sage  
**1** teaspoon minced thyme  
**1** teaspoon minced rosemary

To make stuffing: Bake biscuits according to package directions 1 day ahead. Dry biscuits will absorb more broth.

Preheat oven to 350 F.

In skillet, melt butter then add celery and onions. Sauté until onions are translucent then add poultry seasoning and half the broth. Set aside to cool.

In bowl, combine stuffing mix, crumbled biscuits and eggs.

Add onion mix to bowl and mix well. Add leftover broth if mixture is too dry. Set aside.

Slit each chop on rounded side, cutting almost through to bone, to create deep pockets for stuffing.

Season chops with garlic, sage, thyme and rosemary. Fill each chop with stuffing mixture. Use toothpicks to keep chops closed.

Preheat skillet with oil over medium-high heat and sear each chop 2-3 minutes on each side.

Once chops are seared, add remaining stuffing to pan, cover with foil and bake 30-45 minutes until chops reach 140 F in center. Remove foil for last 10 minutes to brown top of stuffing, if desired.

## *What caution should I be aware of?*

Do not park on the road during the snow removal process. Do not push snow on to the roadway, this creates a very hazardous condition.

## *What about driveways?*

Maintenance personnel are not authorized to plow driveways & plows will not be lifted at the entrance to each individual driveway.

Clearance of driveway entrances is the responsibility of the resident. Plows may make several passes in order to widen the roads.

## *What about mailboxes?*

The truck will get as close to the mailboxes as possible. It is the homeowner's responsibility to keep the area in front of the mailbox cleared.

Keep mailboxes closed at all times.

## *What about trashcans on pick up days?*

Trashcans & recycle containers must be 4' off the road.

The snowplow drivers will not get out to move your containers and will not be responsible for damage.

## **USE CAUTION!!**

**When maintenance is out on the roads, stay a safe distance behind the trucks.**

**If you cannot see the mirrors on the trucks, they will not be able to see you.**

***PLEASE BE PATIENT AND COURTEOUS***

community the damage that has been done and the impact to the integrity of the dam. Suggested that we investigate k-rails. **Angie Webster:** The current damages required 68 hours for staff to repair the damage. **Action: Angie to identify sign placement and language and put the signs in place. Once in place, this should be published on the website / social media and include pictures of the damages that were caused.**

**Rule Change Process** – Proposed changes to the rule include the ability for the board to make insignificant changes with a one board meeting delay before voting and to enable the board to set an alternate effective date or the rule. **Tony Harris:** Recommended that we adjust the statement about if changes occur to “If such changes happen during the meeting when the vote on the rule was scheduled to take place, the vote will be postponed until the next board meeting.” And to indicate that the rule would be effective “no earlier than 60 days upon approval or later as designated by the board.” **Jim McCann:** motioned to approve the rule as amended, **Tony Harris** seconded. Voting on the motion will be suspended until the proposed rule change has been posted to the association website and displayed in the association office for 4 weeks. The motion will be reviewed at the December 11 Holishor Board of Directors meeting.

**Safety Committee Update** – The Safety Committee provided their written quarterly update. **Jennifer Halverson:** Noted that the committee will host an IDNR Boat Safety course for our members on February 22. During this class, the committee members will co-teach the class with the intent of obtaining certification to teach future courses. The course will be 8 hours and we will be providing lunch to the students per IDNR requirements to limit the course duration. **Jim McCann:** Confirmed that we need additional volunteers in order to continue offering the course to the community at no charge.

**Correspondence:** None  
**Open Forum**

The following items were discussed: **Kent Scheibel (893)** – Expressed concerns with political signs posted within the community that exceed the size limits. He reached out to the office staff and was advised that the “signs” were flags or banners. Concerns raised that this may be a loophole for realtors and others to use this material to deviate from the sign rule. **Tony Harris:** Reviewed the current political sign rule on page 41: Political signs will be no larger than 26 inches x 16 inches in size. **Angie Webster:** Noted that if we start to look at flags or banners then we will have to make decisions about sports team and other nonprotected flags. Discussion continued. **Tony Harris:** Suggested that we seek advice from our attorney to determine if our current rule is valid with the limitation of the size. **Action: Angie to ask our attorney if the size of political signs is governed by IL or can the HOA limit the size of the sign.**

**Action Summary**

Prior Actions: Angie Webster to check our insurance policy for coverage of the safety committee instructors teaching the IDNR class. **Angie confirmed that the current policy likely doesn’t cover the instructors but they are continuing to review the overall policy with a goal to provide an option for coverage.** Angie to reach out to Jim O’Brien and offer to meet with the board outside of a formal meeting and discuss options to support HSVFD. New Actions: Angie to identify sign placement and language and put the signs in place. Once in place, this should be published on the website / social media and include pictures of the damages that were caused. Jennifer to send amended rule to the office. Karla to post the rule on the website and in the office. Angie to ask our attorney if the size of political signs is governed by IL or can the HOA limit the size of the sign. Angie to check the voicemail on Code Enforcement Phone.

**Adjournment**

Motion to adjourn was made by **Tony Harris** and **Jim McCann** seconded, all in favor at 8:16 p.m.
